Throughout this learner handbook, we refer to Flexible Learning Centre/School. This refers to the Flexible Learning Centre or School where you are currently enrolled. Your Flexible Learning Center or School is responsible for all delivery of training and assessment, learner support and providing all the necessary resources and equipment to enable you to complete your course.

For the name and contact details of your Flexible Learning Centre/School please refer to Appendix A. including details of the nomination support person at your location.

Student rights and Responsibilities

Students have the right to be treated fairly and ethically so the EREA Flexi RTO:

- Provides assistance to ensure the best possible outcome is achieved
- Practices open communication and fair decision making processes
- Makes every effort to help students successfully complete their courses
- Recognises the needs and circumstances of all students, taking into consideration their beliefs, ethnic, cultural and religious practices
- Respect the confidentiality and privacy of disclosed information

Enrolment

You will complete an online enrolment form. You complete this so we have all your details on file. If any of your personal details change during the training, please let your trainer or us know immediately. You will need to have a verified Unique Student Identifier before any official certification can be issued to you.

USI (Unique Student Identifier) Number

All individuals undertaking a VET qualification are required to have a valid USI number. For Qld school students, this is in ADDITION to the LUI number and SACE number for SA students

- All students are responsible for creating their own USI, with support available for those who have special needs.
- If assistance is required from the RTO, completion of the USI Permission form from the student is provided to allow the RTO Manager to create a USI on behalf of the student
- Trainers and assessors may assist students in accordance with USI regulations
- The only staff with responsibilities for USI assistance or verification is the RTO Manager
- All USIs are verified using dedicated software.
- The USI is to be provided to the RTO upon enrolment or as soon as possible after enrolment.
- Certificates and Statements of Attainment are issued only to students with a valid USI.

Data Collection

Under the Data Provision Requirements 2012, EREA Flexi RTO is required to collect personal information about you and to disclose that personal information to the National Centre for Vocational Education Research Ltd (NCVER).

Your personal information (including the personal information contained on the enrolment form and your training activity data) may be used or disclosed by EREA Flexi RTO for statistical, regulatory and research purposes.

The Training Process

- Once you have completed the enrolment you will receive an email confirming your enrolment in the course and a copy of your Learner Information Handbook
- Training delivery may be facilitated by your teacher or other VET staff as directed by the principal. It may include self-paced workbooks and other training activities as directed by your trainer
- All the necessary resources will be provided.
- All our courses will require knowledge and performance based evidence assessments

- You will be provided with a student login and password which you can use to view your results and completed units.
